## Near Space Ballooning

May 23, 2018

This is an exciting project for Horizon Science & Noble Academy students to be a part of and we would like to share this experience with our community, so come and join us! Our balloon will have on board science experiments to make measurements at higher altitudes.

Balloon Launch Site:

3225 NE Plain City-Georgesville  
Rd, Plain City, OH 43064

10:00 AM
